Once an application is complete with all required documents, the application will be automatically evaluated for all possible scholarships.

Undergraduate Scholarships

Freshmen University Academic Merit Scholarships
Academic scholarships are based on ACT or SAT test scores, high academic ability as indicated by grade point average, and writing ability as demonstrated within the essay portion of the application for admission. Full-time enrollment (at least 12 credit hours) is required for scholarship.

Scholarship Taxes  
Students who receive certain types of scholarships are required to pay taxes on those scholarships. This mostly applies to athletic scholarships that include housing or meal plans. Students must complete their registration in Glacier after they enroll to ensure that their tax information is documented correctly. Most academic scholarships are not taxed.
Flat-Rate Fee Scholarships
Oklahoma City University offers a special Flat-Rate Fee Scholarship to graduate international students admitted to the MBA, MS Computer Science, MS Accounting, or MA TESOL programs. Students who qualify for the Flat-Rate Fee Scholarship are eligible to pay their tuition in one lump sum at the start of their program and will receive a large discount in the total amount of tuition and fees owed for their program. The Flat-Rate Fee Scholarship may NOT be combined with any other graduate scholarship.

Flat-Rate Fee Scholarship for MBA, MS Accounting, and MS Computer Science
Flat-Rate Fee Scholarship cannot be combined with any other scholarship. Scholarship includes tuition and most fees, however does not include parking pass, health insurance, books, or accommodations.

- **$23,000 – One Payment Flat-Rate Scholarship.** Students make one payment at the beginning of their program and this amount covers the cost of ALL tuition and fees for the entire Master’s program.
- **$25,000 – Two equal payments of $12,500.** Cost includes all tuition and fees for the entire Master’s program, however payment is made in two installments.
  - First installment paid prior to the beginning of MBA, MScS, or MSA course
  - Second installment paid at the beginning of the enrollment cycle which includes the 18th core credit hour (normally the start of the second year).

*For example:* A graduate international student is admitted to the MBA program. He is awarded the Flat-Rate Fee Scholarship and chooses to pay the Flat-Rate Fee of $23,000 at the start of his program. This student saves a total of $16,036. If you consider the total cost of tuition and fees for one academic year is $19,518, over the course of a two years Master’s program, a student can expect to pay $39,036 in tuition and fees for their full program. Therefore, one payment of $23,000 is a savings of $16,036 when compared to paying full tuition and fees each semester. This is a significant discount to the student.

Flat-Rate Fee Scholarship for MA TESOL
To qualify, TESOL students must have a minimum undergraduate GPA of 3.0 and a minimum TOEFL (IBT) of 80, IELTS 6.0 (no sub-band lower than 5.5), OR must have completed level 112 of ELS. Flat-Rate Fee Scholarship may not be combined with any other scholarship.

- **$21,000 – 36 Credit Hour Flat-Rate Plan.** This applies to most students. $21,000 includes the cost of all tuition and fees for the full Master of Arts in TESOL program.
- **$15,000 – 24 Credit Hour Flat-Rate Plan.** This plan applies only to students who have completed 12 credit hours with a grade of “B” or higher in a recognized graduate TESOL program.

What to Expect after You’ve Been Admitted
Congratulations! You’ve been admitted to Oklahoma City University! There are still several very important things to take care of:

1. Apply for your visa
2. Make housing arrangements and choose a meal plan
3. Make travel arrangements
4. Plan your arrival: schedule airport pickup and housing check-in, make sure you have all of your necessary documents.

www.okcu.edu
Applying For a Visa

After you are admitted to the university, you will receive an admission letter as well as an I-20 form. You will use the I-20 form to obtain your F1 student visa. You can find more information on the Department of State website about applying for your F1 visa:
http://travel.state.gov/visa/temp/types/types_1270.html and www.ice.gov/sevis

Steps to apply for your visa

1. Contact your local U.S. Consulate or Embassy to ask about the procedure to apply for an F1 student visa. A list of Consulates and Embassies can be found at http://www.usembassy.state.gov/

2. Once you receive your I-20, follow the U.S. Embassy/Consulate’s instructions for scheduling an interview for your student visa. It is important to schedule your interview as far in advance as possible as visa processing times may vary. Many consulates recommend that appointments be made no more than 90 days from the intended date of travel, but some can make earlier arrangements.

On-Campus Housing

Oklahoma City University provides four distinctive living and learning communities for undergraduates where students will find both private time and numerous opportunities to get connected to campus activities—and to build their own home away from home.

OCU offers both coed and same-gender facilities. Meal plans are required in each of the undergraduate facilities.

Students who are under 21 and not living with an adult guardian must live on campus.

**We strongly encourage students to apply for on-campus housing as soon as they decide that they will be attending Oklahoma City University.** On-campus housing is limited and has a tendency to fill up quickly. Students can submit their housing application and deposit online: [http://www.okcu.edu/students/reslife/application/](http://www.okcu.edu/students/reslife/application/)

**FRESHMEN & UPPERCLASSMEN HOUSING**

**Oklahoma United Methodist Hall** is an exciting addition to on-campus housing. The hall is a coed facility for freshmen and upperclassmen.

**Banning Hall** is OCU’s coed honors hall, offering housing for freshmen and upperclassmen honors students.

**Walker Hall** is OCU’s women’s hall, offering housing for freshmen and upperclassmen women.

**Smith Hall** is OCU’s men’s hall, offering housing for freshmen and upperclassmen men.

All dorms include all the necessary amenities for comfortable college life: high speed Internet access, laundry, big screen TV, microwaves, and games like pool and table tennis.

**GRADUATE, LAW & UPPERCLASSMAN HOUSING**

Students who are upperclassmen or graduate students can enjoy the freedom and amenities of independent apartment-living at University Manor and Cokesbury Court.

**AMENITY RENTALS**

MicroFridge Rentals: Rent or purchase the 3-in-1 MicroFridge® and help protect the environment. OCU endorses the MicroFridge® 3-in-1 unit due to its Safe Plug® circuit protection and because it uses less energy. Rent or buy now and it will be in your room when you arrive. Additionally, OCU students can rent or buy bedding, linens, laptop locks, and safes.

For more information about housing and residence life, call the housing director at (405) 208-7907, or e-mail us at studentlife@okcu.edu. You can also visit the housing website: [http://www.okcu.edu/students/reslife/](http://www.okcu.edu/students/reslife/)

Oklahoma City has a well-organized bus system operated by METRO Transit. Information on riding the bus and bus routes can be found on their website: [http://www.gometro.org/service-guide](http://www.gometro.org/service-guide)

Taxis are available, especially from places like the airport or bus station. If students need to take a taxi from someplace other than the airport, most likely they will need to call for cab service. Yellow Cab of Oklahoma City can be reached at (405)232-6161.

What to Eat
Oklahoma City is a diverse community full of restaurants and grocery stores catering to people with all sorts of food preferences, religious restrictions, and budgets. Oklahoma City University is located within a five minute walk of one of the largest Asian Districts in the Midwest. There you can find a very large Asian grocery store and many Asian inspired restaurants. The Asian District website details some of the restaurants students will find very close to campus: [http://www.okcasiandistrict.com/index.php](http://www.okcasiandistrict.com/index.php)

For students who prefer to shop for organic and all natural foods, Oklahoma City has a Whole Foods Market that should be open by the time school starts in Fall 2011. A variety of grocery stores (with a variety of prices) can also be found: Wal-Mart, Crest Mart, and Buy For Less  are all located near campus.

Oklahoma City also has a variety of Halal restaurants and markets: [http://www.zabihah.com/c/Oklahoma-City+25](http://www.zabihah.com/c/Oklahoma-City+25)

Oklahoma City University has several dining options for students on-campus. From the Caf to Alvin’s Café, we have options for everyone. For information about food options on campus: [http://www.ocudining.com/index.html](http://www.ocudining.com/index.html)
Pre-Departure Checklist

- Representatives should inform OCU of a student’s visa approval and intention to attend.
- As soon as a student’s visa is approved, the student should apply for on-campus housing if the student intends to live in the Residence Halls (dorms) or University Apartments.
- As a general rule, orientation takes place the week before school starts. The international student orientation session is normally the Friday before school starts. Students should make arrangements to arrive on campus no later than the Thursday before school begins so that they can attend the international student orientation session and enroll for classes before school begins the following week.
- Students should bring enough money with them to cover the first few weeks of travel and living expenses. Traveler’s checks or cash in US dollars is strongly recommended as foreign credit cards usually but do not always work in the US.
- Students should make photocopies of important documents, such as passports, visas, I-20s, medical records, etc. They should bring an extra copy with them, and they should leave a copy at home with their parents in case anything happens to the original documents.
- Students should inform OCU of their travel arrangements and complete the “Airport Pickup Request Form” if they would like to be picked up upon their arrival. Airport pickup information is available on our website: http://www.okcu.edu/admission/international/arrival.aspx
- Students should carry with them something with the Oklahoma City University address and phone number, as well as the name, address, and phone number of their accommodations.
- If a student will be arriving late at night (after 11:00 pm) it is recommended that the student arrange a hotel room. A list of hotels that give discounts to OCU students can be found on our website: http://www.okcu.edu/visitors/lodging.aspx
- Students should clearly label their luggage inside and out with their name, address in Oklahoma City, and Oklahoma City University. Students should also check with the airlines about baggage fees and limitations.
- Students should be reminded to carry their I-20 and passports with them NOT to pack them in their luggage.

Arriving in Oklahoma City

The closest airport to Oklahoma City University is the Oklahoma City Airport, called Will Rogers World Airport (OKC). Most international flights do not fly directly to Oklahoma City – most students will have to connect through Chicago, LA, San Francisco, or another US city prior to arrival in Oklahoma City. For information on arrival in the United States, Passport Control, and US Customs, please visit the US Customs and Border Patrol (CBP) website: http://www.cbp.gov/xp/cgov/travel/id_visa/

Airport Pickup Service

The International Admissions office will conduct airport pickups the week before school begins (for fall
2011: August 15-21) between the hours of 8:00 am and 11:00 pm. Students who would like to be picked up at the airport by a member of the OCU International Admissions staff should complete the Airport Pickup Request form (can be found on our website: http://www.okcu.edu/admission/international/arrive.aspx). Airport pickup requests must be received no less than one week prior to a student’s arrival in Oklahoma City. Upon receipt, we will email the student to let them know that the request has been received. The student will receive a second email in the week prior to their arrival with confirmation that one of our advisors will meet them at the airport. Students who will be arriving after hours or on a date outside of our normal pickup schedule may still request airport pickup. These requests will be considered on a case by case basis and will be accommodated when possible.

Students also have the option to take the Airport Express Shuttle. The charge is normally $22 USD (must be paid by cash or credit card to the driver). Students should be sure to carry the address and phone number of where they will be staying (the dorms, a hotel, etc.). The shuttle is a blue van with yellow lettering that can be found in the shuttle pickup lane outside the baggage claim.

Checking in to Campus Housing
The official move in date for fall 2011 is August 16 between 8:00 am and 5:00 pm. It is VERY important that students make arrangements to arrive on campus in time to move in on this date. Students who wish to move in on a different date will have to make special arrangements with University Housing. Special move in requests will be considered on a case by case basis and will be accommodated when possible. No move ins will be scheduled between 11:00 pm and 8:00 am, so students arriving after 11:00 pm should arrange a hotel room for their first night.

To make a special move in request, please contact:

Residence Halls (dorms): Ade Okediji (aokediji@okcu.edu)

University Apartments (Cokesbury or University Manor): Ashleigh Arnall (aarnall@okcu.edu)

Students who arrive in January for spring semester should take note that the University is closed each year for the Christmas Holiday usually until the week before school starts. Please refer to the University academic calendar for specific campus holiday closure dates: http://www.okcu.edu/calendar/

Area Hotel Accommodations
Oklahoma City University does not have temporary housing available on campus. Students will need to make hotel accommodations if:

- They plan to make living arrangements after arrival in Oklahoma City
- They are not yet able to move in to university housing because of a late or weekend arrival

There are a number of hotels near campus that offer discounts to Oklahoma City University Students. To view information on these hotels, please see our website:
Students should let the clerk know at the time of check in that they are an Oklahoma City University student to receive a discount. Many of these hotels also offer shuttle services that will be able to bring students to campus at no charge. Students should check with the hotel in advance to find out if a shuttle is available.

What to Bring

Immunization Records

The state of Oklahoma requires proof of certain immunizations from all students. All students must show immunization records upon arrival for Hepatitis B and MMR (Measles, Mumps, and Rubella). Additionally, all freshman living in the dorms are required by Oklahoma state law to provide documentation that they have received vaccination against Meningococcal disease or to sign a waiver. Students should bring a copy of the immunization record to the Campus Health Clinic. Students who do not have one or both of the required vaccinations can get them at the Campus Health Clinic for a fee. For more information, see our website:

http://www.okcu.edu/students/studenthealth/immunizations.aspx

Official Academic Records

Official or certified copies of all admission documents are required at the time a student arrives on campus to enroll. We must have official or certified copies of all academic records (transcripts) plus certified translations, as well as an original financial statement (photocopies cannot be accepted), and official test scores received directly from ETS or Cambridge. OCU absolutely will not accept any “student copies” of TOEFL or IELTS exam results, nor can we accept photocopies of exam results. Only official copies received directly from ETS or Cambridge will be accepted.

Appropriate Clothing

Students should bring appropriate clothing for four distinct seasons. In the summer, it can be quite hot in Oklahoma, and students will want light-weight clothing. In the winter, a warm coat is often necessary. Many students may want a light jacket for spring and fall weather when temperatures can be cooler, but often are not cold enough for a heavy coat. Clothing can be purchased at many locations around Oklahoma City, so students shouldn’t worry if they forget something. There are options at all price ranges.

Housing needs

Students may want to bring items like pillows, blankets, or towels. These things can be heavy and hard to pack, so students should know that these items can easily be purchased upon arrival at stores like Wal-Mart or Target for fairly inexpensive prices.
For students who will live on campus in University Housing, here are some suggestions:
http://www.okcu.edu/students/reslife/to_bring.aspx

Cash or Traveler’s Checks in U.S. Dollars

Students should carry with them enough cash or Traveler’s Checks in USD for at least two weeks’ worth of expenses. International credit cards usually work in the United States, but from time to time, they do not, so we strongly recommend that students carry some cash with them just in case. Students can open a bank account immediately after arriving on campus (there are several banks nearby) and money can be wire transferred to their bank account from their home country for future expenses. Money can also be directly transferred to a student’s BlueLink account (Bursar) for tuition and other on-campus expenses.

Many students can use ATM machines to withdraw money from bank accounts in their home country, but do not assume that all bank cards will work. Most do, but from time to time they do not, so for this reason we recommend that students carry cash or traveler’s checks as a back-up.

What to Expect When You Arrive

Students on an F1 student visa are allowed to enter the United States no more than 30 days prior to the start date of classes. Once you arrive in Oklahoma City and have settled in (and gotten a little sleep!) your first step will be to come to the International Admissions office to complete the enrollment process. The International Admissions Office is located in the Ann Lacy Visitors and Admissions Center. Call 405-208-5358 for directions.

You should bring the following documents with you:

- ✔ Passport (with visa)
- ✔ Stamped I-20
- ✔ Stamped I-94 card (arrival/departure card – normally stapled in passport)
- ✔ Passports and I-20s of all dependents accompanying you to the United States
- ✔ Any original documents that were not submitted at the time of the application including:
  - Original transcripts: **We must have original transcripts sent directly from your previous school (unless additional copies are not provided). We cannot accept “issued to student” transcripts.** Please contact all previous institutions to request original transcripts be sent to OCU.
  - Original diplomas (certified copies will be taken – the original will be returned)
  - Original financial statements
  - The application fee if it has not already been paid
  - Verify that OCU has received your original TOEFL or IELTS score report. **We cannot accept “issued to student” score reports.** If your original TOEFL or IELTS has not already been submitted, please contact ETS (for TOEFL scores) [www.ets.org](http://www.ets.org) to request an original score report, or Cambridge (for IELTS)
http://www.ielts.org/test_takers_information.aspx. OCU’s institutional code is 6543.

After completing your enrollment in the International Admissions office, you will be an active Oklahoma City University student! You will be given a list of instructions, a map of campus, and information on orientation activities.

**Enrolling for Classes**

Your next step will be to make an appointment to see your academic advisor to enroll for classes. You will be given the contact information for your academic advisor in the International Admissions office. Below is a list of most advisors:

Your academic advisor will work with you to select your classes after you arrive on campus. There is generally no reason to enroll prior to your arrival on campus.

**Student Accounts**

After enrolling for your classes, your next step will be to visit the student accounts office to get your Student ID card (Star Access Card) and to make payment arrangements. Students must make arrangements to pay their tuition and fees prior to the end of the first week of classes. Students may pay their tuition charges in full at that time or they may choose to set up a payment plan. Students will be charged a deferred payment fee and small interest charge for deferred or late payments.

All students will receive a Student ID Number at the time of admission (also called the “B Number”). Students should also receive an email with their BlueLink Log-In and Password soon after they are admitted. With the B Number and the BlueLink log-in, students will be able to log in to their student account and to pay money to be used for expenses such as tuition, fees, health insurance, on-campus housing, and meal plans. This is the recommended method of payment for students who would like to make a deposit (tuition deposit or housing deposit) or who would like to transfer money to pay their student expenses prior to leaving their home country.

We do not recommend that students transfer money to this account with the intention of withdrawing it once they arrive in the U.S. The student account is not a bank account. It is the account that the University uses to bill the students for University-related expenses. Students should open a bank account after arrival in Oklahoma City for other expenses. Cash and traveler’s checks are recommended.
for students to use prior to opening a bank account

**Student Health**

Students must submit health records to the Student Health Clinic no more than 2 months after school starts. Please refer to the section above (What to Bring: Immunization Records) for the exact documents you should bring with you.

**Glacier**

All international students must create a Glacier account and fill out all of the appropriate information. Glacier is used to assist international students with tax filing. Every year in the United States, everyone must file a tax return between February and April. International students are included. Glacier helps international students to file their tax return. You will be given more information about what you need to do in Glacier at the International Student Orientation Session.

**International Student Orientation Session**

For the fall 2011 semester, the International Student Orientation Session will take place on the Friday before school starts (August 19) from 12:00 pm – 2:00 pm. At this session, students will get information about different activities on campus, important immigration basics, information on health insurance, and Glacier (taxes).

In addition to the International Student Orientation Session, there will be other orientation activities throughout the week of August 15-19. For more information, see our website: [http://www.okcu.edu/students/fye.aspx](http://www.okcu.edu/students/fye.aspx)

**Student Resources**

**Student Health Clinic**

Primary healthcare services are offered at a very low cost to students at the Campus Health Clinic located on campus. The Campus Health Clinic offers a variety of services such as: Assessment and treatment of illness or injury, prescriptions writing, vaccine administration, TB testing, and more. Except in the case of a health emergency, it is highly recommended that students visit the Campus Health Clinic first before visiting an off-campus health facility or the hospital. This can save students hundreds or even thousands of dollars!

The Campus Health Clinic also oversees the Student Health Insurance Plan for international students and provides assistance to students who have questions about what their health insurance covers. They can refer students to the appropriate health care facilities for more advanced care when necessary and can also provide guidance about billing and other issues that can arise. For more information about the Student Health Clinic, services offered, immunization records that are required, or student health insurance questions, see our website: [http://www.okcu.edu/students/studenthealth/index.aspx](http://www.okcu.edu/students/studenthealth/index.aspx)
Learning Enhancement Center (LEC)
OCU offers many resources to help our students to be successful. One of these resources is the Learning Enhancement Center (LEC). Services offered include personal tutoring, paper critiques, assistance improving grammar and writing skills, assistance improving research skills, conversation groups for improvement of English language skills, access to computers and internet for paper writing and research, and more. The LEC is open 8:00 am – 9:00 pm Monday through Thursday and 9:00 am – 5:00 pm on Fridays. Students only need to make an appointment for one-on-one tutoring in any subject. Oklahoma City University is affiliated with the United Methodist Church; however we welcome and embrace students from all cultural and religious backgrounds. The university provides a variety of ways for students to pursue their own religious interests. For more information, please visit our website: http://www.okcu.edu/religiouslife/about.aspx

Post Office
Oklahoma City University has a fully operational post office located on campus.
Health Insurance
Oklahoma City University has a Student Health Insurance Policy (SHIP) administered by Academic Health Plans. The policy offers up to $100,000 for each covered injury or illness. Students on the SHIP pay a $100 deductible per policy year, then Academic Health Plans will cover 100% of a covered injury or illness up to the basic health maximum of $5,000. After $5,000, the major medical health benefit pays 80% up to the max of $100,000. For information about the University Health Insurance Policy, please visit the website: https://www.academichealthplans.com/okcu/index.php

The OCU Student Health Insurance Policy is mandatory for all international students. Even if a student has a separate health insurance policy through their home country, all international students have the OCU SHIP. It is billed automatically to the student’s account along with tuition and other fees. The cost is $726 per year.

ELS Language Center at Oklahoma City University
ELS Oklahoma City is located on the Oklahoma City University campus and offers many study options to students. The location offers a safe community with one of the lowest costs of living in the United States. Affordable apartments and homestays are available.

OCU offers conditional admission to ELS students and accepts ELS level 112 in place of the TOEFL or IELTS. Students may apply for conditional admission to OCU with no TOEFL or IELTS if they plan to attend ELS.

Oklahoma City University has a wonderful relationship with our ELS center, and we work very closely together to be sure that the ELS students have a good experience on OCU’s campus. ELS students can use many of the OCU facilities, including the dorms and on-campus apartments. This allows students the opportunity to adjust to the campus environment before they begin their degree program. Additionally, ELS students are invited to participate in many OCU events.

OCU offers concurrent enrollment to ELS students in level 110, 111, or 112. Students in level 110 are allowed to enroll in one class at OCU, students in 111 may enroll in 2 classes, and students in 112 may enroll in 3 classes. Additionally, OCU offers the added benefit that ELS students in level 110, 111, or 112 and who are enrolling in undergraduate classes may enroll in up to 9 credit hours of OCU classes free of charge. If the student enrolls at OCU after completing level 112, these classes will be counted toward their program and the student will not be charged for them. If the student wishes to transfer to another university, they may transfer the credits with them, however they would be required to pay for the classes at that time.
