This responsibility demands implementation of programs and services which facilitate that effort. Federal law requires the establishment of anti-drug and alcohol programs which prohibit the use of illegal drugs and alcohol in or on University owned or operated facilities. In order to meet these responsibilities and federal requirements, the University has established this Student Drug and Alcohol Abuse Policy, which is included in the OCU Student Handbook.

I understand that Oklahoma City University has a Student Drug and Alcohol Abuse Policy. I further understand that the Dean of Students is authorized to require those students whom he has reasonable grounds to believe are improperly using or possessing controlled substances in violation of the University's drug abuse policy to participate in drug screening program.

Oklahoma City University, in compliance with federal laws and regulations, does not discriminate on the basis of race, color, national origin, sex, age, religion, disability or status as a veteran in any of its policies, practices or procedures. This includes, but is not limited to, admissions, employment, financial aid, and educational services.

The Vice President for Student and Administrative Services, located in Room 402 of the Administration Building, telephone (405) 521-5029, serves as the University's compliance officer and coordinates the University's compliance with Title VI, Title VII, Title IX, Section 504-Title II, the ADA and the ADEA.
