

HPV Vaccine – Gardasil Availability

Due to the high cost of the vaccine in individual doses, the OCU Student Health Clinic will no longer carry this vaccine. We do, however, highly recommend it for all women from 11 – 26 years of age. Here is a list of providers close to OCU that offer the vaccine. If you have any questions about this information, call the provider or the Student Health Clinic for assistance.

Deaconess Family Physicians – Dr. Matt Haag

2801 NW 23rd St. (Just east of May Ave. on the North side of 23rd St.)

405-602-2525

Appointment needed, same day appointment if you call before Noon.

Vaccine administered with a doctor's office visit. Will file most health insurance policies.

The Broadway Clinic

1801 N. Broadway (Just south of 23rd St. on the west side of Broadway)

405-528-1936

No appointment needed.

Vaccine administered with a doctor's office visit. Will file most health insurance policies.
